## Introduction

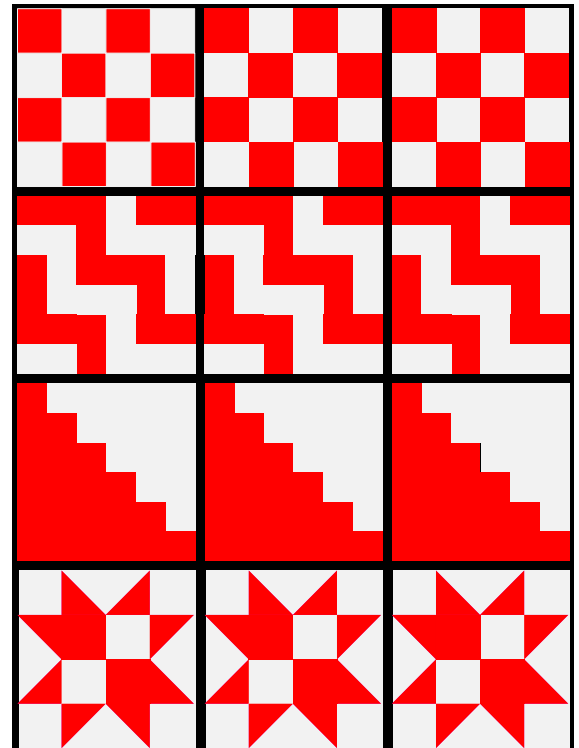

I am excited to introduce you to my year long quilt along. There is more than one way to quilt your quilt and there is more than one way to quilt your quilt using your domestic sewing machine. In this series we are going to explore Walking Foot Quilting, Free Motion Quilting, and Ruler Work by creating three of the same block and then quilting them with each of the different methods. I would love for you to quilt along as we explore these techniques.

Each month we will alternate between piecing the blocks, and quilting the blocks. In addition, at the end of the year we will be creating a small sampler quilt with our blocks using a quilt-as-you-go method, and finally we will learn about binding our quilt by machine to complete the quilt.

I will be piecing and quilting on both of my Janome machines, the Memory Craft 6700P and the Memory Craft 9450QCP.

Gather up the following supplies and I will see you back here on March 10.

- 1 metre red quilting cotton
- 1 metre white quilting cotton
- 1 metre black quilting cotton for sashing and binding.
- 1.5 metres backing fabric cut into (12) 14" squares
- (12) 14" squares of batting
- Matching thread for piecing.
- Matching or contrasting thread for quilting.
