

# Janome 2022 Quilt Along with Melissa Marginet

©2022 Melissa Marginet

## Block 1 - Checkboard

Cut (2) 3.5" x WOF strips of red

Cut (2) 3.5" x WOF strips of white

Piece (1) red and (1) white strip lengthwise. Press towards the red fabric. Repeat with the other red and white strips.

Piece the two strip sets together to form a red/white/red/white strip set. Again, press towards the red.

Subcut the strip set into (12) 3.5" pieces.

Flip every second piece and sew them together into sets of four creating three checkerboard blocks.

NOTE: If your fabric only allows for 11 subcuts, cut one more 3.5" x WOF strip each of red and white. Piece together lengthwise. Subcut two 3.5" pieces from this set and piece them together to form the last strip for your checkerboard block. Place the remaining strip set aside as you will use it in a subsequent block.

Prepare your quilt sandwiches by layering your backing, batting, and quilt block. Baste using your favourite method.

Don't forget to post your progress on social media.
