

Janome 2022 Quilt Along with Melissa Marginet

Sashing

©2022 Melissa Marginet

Once you have watched the video for important hints and tips:

Cut the following from the fabric you chose for sashing:

(6) 1" x WOF strips

(6) 1.75" x WOF strips

Fold the 1.75" strips in half lengthwise, wrong sides together and press.

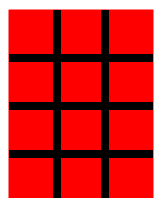

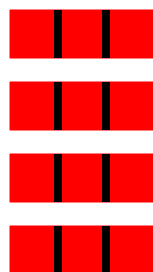

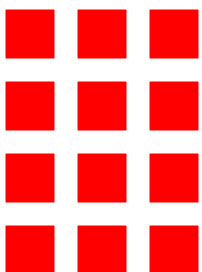

- Place the 1" strip on the top of one block, right sides together and the folded 1.75" strip on the back of the block with the raw edges lined up with the raw edge of the block.
- Pin in place and stitch through all layers with a 1/4" seam.
- Stitch the other edge of the 1" strip, right sides together to the adjoining block with a 1/4" seam.
- On the back of the quilt, press the 1.75" strip over the raw edges.
- Pin in the ditch from the front catching the folded strip with the pins.
- Stitch-in-the-ditch from the top of the quilt.

Order of construction:

Arrange your blocks in your desired layout.

Attach blocks together with sashing in rows.

Attach the rows together with long pieces of sashing.

Don't forget to post your progress on social media.
